

**Pharsight<sup>®</sup>  
Phoenix<sup>®</sup> 7.0**

**Product Notification**

**Document Number: PHX-033**

**Product Notification Date: November 1, 2016**

**Certification Notification**

Phoenix 7.0 is now certified for use with Windows 10. This is in addition to the previously documented compatibility of Phoenix 7.0 with the desktop operating systems Windows 7 SP1 and Windows 8.1 Update KB2919355 (specified in the Phoenix 7.0 Getting Started Guide).

**Support**

**Technical support**

Consult the software documentation to address questions. If further assistance is needed, contact Pharsight technical support through e-mail, our web site, phone, or fax.

**E-mail:** [support@certara.com](mailto:support@certara.com) (fastest response time)  
**Web:** <https://support.certara.com/login>  
**Phone:** 1-919-852-4620  
**Fax:** 1-919-859-6871

For the most efficient service, e-mail a complete description of the problem, including copies of the input data.

**Customer feedback**

Submit requests for software enhancements and defect corrections through e-mail, fax, or through the Support web site:

**E-mail:** [support@certara.com](mailto:support@certara.com)  
**Web:** <https://support.certara.com/login>  
**Fax:** 1-919-859-6871
